Out of town bowlers must bring average verification. Use highest 2008/2009 or 2007/2008 yearbook average with 45 games or more. If no yearbook average, current average with 36 or more games may be used with verification from league secretary. You must also provide that secretary's phone number along with the verification. No exceptions so don't ask or assume. If you have no yearbook average, you can bowl scratch. Tournament director has the right to re-rate or reject any entry and the decision is final.

It is my goal to provide a fair and honest tournament. Sandbaggers will not be tolerated!

Ten pin rule will apply.

All bowlers are welcomed except top 64 touring pros. Hope to see everyone at the lanes!

Tournament is limited to first 40 teams! Call to reserve your spot! Call me if you have anymore questions.
